About Us

The Professional Boards Forum brings together:

- Leading Chairs / CEOs who would like to see talented women take on board roles
- Women current and future Supervisory board directors looking for board roles now or in a few years

Launched in Norway in 2003 by Elin Hurvenes and now operating in Norway, the UK, Germany, Switzerland and The Netherlands this Professional Boards Forum event will bring together some 20 Chairs/CEOs and 35 women with the skills and experience for Supervisory board roles.

This is our 15th event in The Netherlands and we are pleased to report several new board appointments as a direct result of our events.

At our innovative events, a 'Simulated Board Meeting' gives talented women a unique opportunity to show their understanding and judgement of complex strategic, governance and financial problems, demonstrating the strengths they could bring to a board in the future. The Forum creates a friendly environment where women can meet and impress business leaders who influence appointments to Dutch boards.

We are planning a face-to-face event, as long as Dutch Government Covid restrictions allow. Should this not be possible, this event will go ahead online.

"I am highly supportive of creating an environment where more women can be appointed to boards. In my experience the whole boardroom environment changes once women join and this ultimately leads to better decision-making."

Tom de Swaan, Chairman, Supervisory Board,
ABN AMRO Bank NV

"I got my first major Non-Executive role as a direct result of participating at the Forum - the concept works!"

Pauline Bieringa, Vice Chairman, KAS Bank
