About Us

The Professional Boards Forum brings together Chairmen and women with the skills and experience for Non-Executive director (NED) roles.

Leading Chairmen who are committed to appointing talented women to UK boards and who frequently participate: Sir Roger Carr, Sir Douglas Flint, John Barton, David Tyler and Ian Davis, to name a few.

At our innovative events, a 'Simulated Board Meeting' gives talented women a unique opportunity to show their understanding and judgement of complex strategic, governance and financial problems, demonstrating the strengths they could bring to a board in the future. The Forum creates a friendly environment where women can meet and impress business leaders who influence appointments to UK boards.

Since the UK launch of the Professional Boards Forum in 2009 our alumnae have been appointed to more than 100 NED positions and further appointments are in the pipeline.

More than 120 Chairmen from FTSE 100 and FTSE 250 companies and other significant firms have participated and continue to participate at the Professional Boards Forum events.
